

Peer Services Presents:

Anonymous Digital Art and Poetry Show

#yourenotalone #mayismentalhealthawarenessmonth

Join together with Peer Services to host an art show together. Our theme is “You’re not alone.” We want to celebrate Recovery with you through artful expression. We will keep it anonymous for two reasons, one is to be HIPPA compliant due to challenges in documentation for publications at this time. The other reason is to be unified in our message to each other. We believe that the silver lining in this situation is that we have learned to connect with technology in new ways, and have supported each other despite challenges. We are strong together.

Please submit photos of your art work and poetry to recovery.event@openskycs.org

Deadline for submission: Friday, May 22nd 2020

Please Note: The art show will be set to music and posted on the Open Sky Facebook Page.
